Reference FLS - JPL Contract No: 8001141005

Dear Sir,

With reference to above mentioned contract no. the execution of work is in progress since 2011, the quality of work and the supervision of work in general with respect to quality as per QA/QC requirements of FLS and approved standard have found to be satisfactory.

The dedication of **Mr. Gangesh Mishra** has taken lead for good execution and planning work with safety and quality aspects also.

I wish that the present SHEL team will continue to maintain the same standard of quality and planning with excellent workmanship in future.

Regards:
